Your Choice

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductibles are **\$3,350** per member (or **\$6,550** per family) for in-network services and **\$6,500** per member (or **\$7,500** per family) for out-of-network services. **No one member will have to pay more than the per member deductible.** Any amount applied toward the in-network deductible will also be applied toward the out-of-network deductible (and vice versa).

When You Choose Preferred Providers

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. See the charts for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider

To find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory or help choosing a provider, call the Member Service number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor

When You Choose Non-Preferred Providers

You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits. See the charts for your cost share.

Payments for out-of-network benefits are based on the Blue Cross Blue Shield allowed charge as defined in your subscriber certificate. You may be responsible for any difference between the allowed charge and the provider’s actual billed charge (this is in addition to your deductible and/or your coinsurance).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments (including prescription drug copayments), and coinsurance for covered services. Your out-of-pocket maximums are **\$6,750** per member (or **\$13,500** per family) for in-network services and **\$7,500** per member (or **\$15,000** per family) for out-of-network services. Any amount applied toward the in-network out-of-pocket maximum will also be applied toward the out-of-network out-of-pocket maximum (and vice versa).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your in-network deductible, you pay a copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

You are covered for certain medical and behavioral health services for conditions that can be treated through video visits from an approved Telehealth provider. These Telehealth services are available by using your computer or mobile device when you prefer not to make an in-person visit for any reason to a doctor or therapist. For a list of Telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com; consult the Provider Directory; or call the Member Service number on your ID card.

Utilization Review Requirements

Certain services require **pre-approval/prior authorization** through Blue Cross Blue Shield of Massachusetts for you to have benefit coverage; this includes non-emergency and non-maternity hospitalization and may include certain outpatient services, therapies, procedures, and drugs. You should work with your health care provider to determine if pre-approval is required for any service your provider is suggesting. If your provider, or you, don’t get pre-approval when it’s required, your benefits will be denied, and you may be fully responsible for payment to the provider of the service. Refer to your subscriber certificate for requirements and the process you should follow for Utilization Review, including Pre-Admission Review, Pre-Service Approval, Concurrent Review and Discharge Planning, and Individual Case Management.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your subscriber certificate (and riders, if any) for exact coverage details.

Pediatric Essential Dental Benefits

Your medical plan coverage includes a separate dental policy that covers pediatric essential dental benefits for members until the end of the calendar month in which they turn age 19 as required by federal law.

You must meet a plan-year deductible for certain covered dental services. Your deductible is **\$50** per member (no more than **\$150** for three or more members enrolled under the same family membership).

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible and coinsurance for covered dental services. Your out-of-pocket maximum is **\$350** per member (no more than **\$700** for two or more members enrolled under the same family membership).

To find participating dental providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor or call the Member Service number on your ID card.
